This date is very important since plants are consistently being propagated and sold. What is sold out one week is often replenished the following week or two. If you have some flexibility let us know.

To confirm a pre-order we require a 25% deposit - please call with a credit card or mail a check. There is a 3% service charge on all credit and debit card purchases.

For pre-orders only, 2" and 2.5" pots are sold in increments of 32 pots, or quarts size pots in increments of 12, all single species. We will no longer be offering half flats. The 38 cell plug flats are always sold in full flats of a single species.
